The PA Diversity Network Photo Project - 150 Same-sex Couples: Facing Inequality includes 154 (so far) photos of local same-sex couples that serve to remind the mainstream public of the discrimination and inequality the GLBT community experiences because Pennsylvania and the US Federal government refuse to grant legal recognition of same-sex relationships.

The Photo Project has both a full set of labeled photos that are projected on a screen and a full set of framed labeled photos.

The framed Photo Project has already been exhibited at: Theatre Outlet, the PDN Gallery, Northampton Community College (viewed by 1000s of people), Air Products and Chemicals, Muhlenberg College, PPL, Civic Theatre, Metropolitan Community Church, Reading's Stirling Hotel and was included in a TV News broadcast interview about NJ Civil Unions.
